Manager

Charming Charlie's

3500 Mccann Road, Longview, TX 75605

Dear, Manager

I've always liked shopping at Charming Charlie's, but Before the Longview location that opened just recently I would have to drive all the way to Dallas to find the BLING, amazing accessories that Charming Charlie's provides. I heard about the opening through a friend and thought it would be a really great experience for me to get to know the business' world considering I want to open my own clothing/ retail store someday.

I have had a few years of experience working at the "Glitzy Lizzy" during the summer, keeping up with inventory and taking care of customer's request whether it be ordering a different size or just simply making their visit worth their time and money. I would be a good choice for this position because I know how to keep customers happy and get them what they need.

I'm available anytime if you are interested in giving me an interview you can reach me on my cell phone anytime at 716-806-0085.

Sincerely,

Lacey Maness
